In 1926, the Willits Development Association came up with the idea of sponsoring a community activity to raise funds for the construction of a much-needed hospital. Through the efforts of many prominent citizens, including Dr. Raymond Babcock, Frank Taft, Judge E.M. Whitney, Judge Fred Foord, Deed Wimmer, Frank and Bill Whitney, Joe Quadrio, Edward Morris, Carl Edenfeldt, Allen Sacry and the American Legion Post, a plan was hatched, and the first Willits Frontier Days Rodeo occurred in July 1927.

Coincidentally, at this same time, Frank R. Howard, the young son of Charles S. Howard, owner of Ridgewood Ranch and champion racehorse Seabiscuit, was injured in an automobile accident at the ranch. The boy's doctor, Dr. Babcock, approached Howard

about erecting a hospital in Willits in memory of young Frank, who did not survive the fatal crash. Mr. Howard agreed and decided to build the Frank R. Howard Memorial Hospital shortly thereafter.

Even though the original idea of having a rodeo to fund construction of a hospital was no longer necessary, the American Legion decided to carry on with their plans for the event anyway.

The celebration was an instant success, and the American Legion ran the show until 1932, when the Willits Volunteer Fire Department accepted the leadership role. Looking to the future, the fire department borrowed money to improve the rodeo grounds by having individual volunteer firefighters sign promissory notes.

90TH ANNUAL EVENT - EST. 1926

The Willits Frontier Days Association was born and incorporated in 1950, when a group of local businessmen and ranchers took over the proverbial "reins" of the event. The continuity of Willits Frontier Days has remained unbroken since 1926.

As a non-profit organization, Willits Frontier Days still operates as it did in the beginning, with no associated individual or organization getting any financial reward. Residents and clubs work together to put on the events and decide together how to spend the profits of each show to benefit our community.

Interested in getting involved and helping the tradition of Willits Frontier Days continue into the future? Call 707-459-6330 or email us at: [willitsfrontierdays@gmail.com](mailto:willitsfrontierdays@gmail.com) for information on joining.

## Heritage Award

DON JEROME

The 2016 Heritage Award winner is Don Jerome, who exemplifies the qualifications required to earn the title. The award is set for a person or group who has stepped up for many years to help with Willits Frontier Days events and helps make the annual celebration possible.

Jerome has been involved with the events for 20-plus years and has worked behind the scenes helping install the new arena and pipes, worked as a gate man for the rough stock, worked the junior rodeos with Lee Persico, helped count money and tickets, and even commuted back and forth from Lake County to help get the grounds ready year after year.

Many remember "Don's Armpit Motel," which was the name given to the trailer Jerome brought over each year where he stayed during the Fourth of July events.

Jerome was the first recipient of the Top Hand award in 1999, which was given to him on his wedding day. He married his bride, Nora, 27 years ago and the Black Bart gang was in attendance at his wedding.

"Don has become a dear friend of Willits Frontier Days, and we cannot thank him enough," said Lee Persico. "Don receiving the Heritage Award is a great honor, and is well-deserved!"

Congratulations, Don!

# CCPRA Rodeo

## WHEN & WHERE

7/3 | 7 p.m. & 7/4 | 4 p.m.

Jack Tharp Arena | Box: \$15, Adult: \$12, Child: \$5

The California Cowboys Pro Rodeo Association is a group of top-ranked cowgirls and cowboys who participate on a circuit of professional-grade rodeos throughout the state. The contestants participate in eight events – bareback, saddle bronc, team roping, calf roping, steer wrestling, breakaway roping, barrel racing and bull riding – hoping to win the coveted All-Around title. After the points from all the events are tallied, the cowgirl and cowboy with the highest cumulative scores win the title, coordinating engraved buckle created at Outlaw Saddlery, a wad of cold hard cash and bragging rights for the duration of the year. The livestock for the events, the bulls, broncs and horned-alike – ‘rodeo stock’ as they are referred to in the trade – are provided by Humboldt County’s Lou

Bugenig and Mike Mora of West Coast Rodeos. Known throughout the state as premiere stock contractors, West Coast bulls and broncs give the boys a challenge to hang on to, and the steer and calves try to give the ladies a run for their money. In addition to the eight CCPRA rodeo events, cowboys and cowgirls from Lake, Mendocino and Humboldt counties can compete in local team roping events as well. Trophy buckles, also engraved by Outlaw Saddlery, are awarded to the top scoring Header and Heeler.

THE FRANK R. HOWARD FOUNDATION was established in 1966 with the objective of guaranteeing high-quality health care services for Willits and Northern Mendocino County. In line with this objective, it became apparent in 2005 that we would need a new hospital when we learned that a retrofit of the existing 85-year old hospital would not be feasible.

In time, Adventist Health constructed the new Frank R. Howard Memorial Hospital which was completed and opened to the public in October, 2015. While the hospital was nearing completion, the Foundation moved forward with the construction of a medical office building north of the hospital site.

Currently at their new office located in the Lamprich Center at Three Marcella Drive, Suite A, the Foundation will be joined by Adventist Health in adjoining suites to include a rural health clinic, pharmacy, and a physical therapy facility.

Candidates are responsible for helping create awareness of the events by selling tickets in the community. ### The Willits Rotary Club

helps with the annual Willits Frontier Days Barbecue, helping to coordinate and serve the delicious lunch to the hungry crowd. The Rotary International motto "Service Above Self" conveys the humanitarian spirit of the organization's more than 1.2 million members. Strong fellowship among Rotarians and meaningful community and international service projects characterize Rotary worldwide. Willits Rotary offers programs for students and youth that can change the lives of those who participate. Through these programs, young people can earn scholarships, travel on cultural exchanges, or help a community through a service project. To become involved with Rotary, contact 707-391-0433.

### The American Legion Post 174

and the Ladies Auxiliary helped initiate the 4th of July Parade and Rodeo in 1926 to raise funds toward building the hospital. In 1927 the event was made permanent, and has occurred ever since with no interruptions. This is a record that Willits and the Frontier Days Committee are justifiably proud of. The American Legion Color Guard has led the 4th of July Parade each year. The Guard also presents the colors at each Rodeo, and raises the huge garrison-sized flag while the National Anthem is sung. Post 174 and its Ladies Auxiliary meet at 7 p.m. the second Tuesday of each month in the Veterans Memorial Building at the intersection of Sherwood Road and Main Street. If you would like to become involved with the post, contact 707-272-1997.

Each contestant receives a binder with pertinent information for the year's contest that the group puts together, and they also offer guidance, assistance with poise and personality skills, and encourage the contestants to sell those tickets! Globally, the Soroptimist International group is a service organization for women who are committed to a world where women and girls, together, achieve their individual and collective potential, realize aspirations and have an equal voice in creating strong, peaceful communities worldwide. ### WHEN & WHERE

7/4 | Noon | Rec Grove Park  
Adult: \$15 & Child/Senior: \$8

Even as the parade comes to an end, the sizzling aroma of barbecuing beef can already be caught on the air, wafting out of the barbecue pit at the Rec Grove Park.

The line can get long, but anyone who's been through it before can testify that it's worth the wait – even when the team serves some 4,000 people during the luncheon.

Putting this monumental meal together takes the combined efforts of many local individuals, service clubs and businesses. However, under the direction of Mike Frahm and the help of many others, the event continues to be a success.

Anita Tharp and the barbecue fire crew light the coals around midnight to make sure they are just right by the time the cooks arrive around 6 a.m. The Odd Fellows Lodge, Rotary Club and many dedicated volunteers work through the night and into the day preparing cowboy-style beans, salad, garlic-buttered French bread and corn on the cob.

Roasted over oak coals since the crack of dawn, the Black Angus tri-tip roast is absolutely delectable. Tickets are available from the Sweetheart contestants and at the event, which starts at noon.

# Main Street Parade

EVENT SPONSOR: HOWARD HOSPITAL

## WHEN & WHERE

7/4 | 11 a.m. | Main Street - Downtown Willits  
Free to Attend

The strip of Main Street between Commercial Street and East Valley Street gets a holiday-themed makeover on the morning of July 4, as the annual parade kicks off and turns Highway 101 into a red, white and blue extravaganza.

Community members and visitors from all over the county and beyond line the sidewalks of historic downtown Willits to watch the glitter, horses, dancers, floats, balloons, gunfighters, bands, flags, tractors – and usually a surprise or two – march down Main Street.

Several entrants have made the parade

an annual or generational tradition for their families – some riding since they were just little buckaroos, including members of the Standley and Persico families and many others.

Annual favorites include the winning and runner-up Willits Frontier Days Sweetheart contestants, the current Grand Marshal and Heritage Award winners, Roots of Motive Power antique logging equipment, Willits Horsemen's Association, Willits Police Department, Little Lake and Brooktrails Fire Departments, CalFire and CDF, as well as

many other emergency personnel – with sirens and lights blazing, of course.

The announcer's stand, located at the corner of East Mendocino Avenue and Main Street, introduces each entry and provides information on each group or individual participant. It also serves as the stage for the winner of the National Anthem contest to sing at the opening of the parade.

Though many viewers stake out seats in the coveted shady locations in the early hours of the morning, the parade starts at 11 a.m. and is free to attend.

**C**CPRAers have to start somewhere, and the Junior Rodeo event is the place for the little buckaroos to hone their arena skills before competing with the big guys and gals. Many of the junior contestants also have been in the saddle since they were very little, many with practical ranch experience already under their belts.

Events at the junior rodeo include many of the CCPRA events, just on a smaller scale. Calf and steer riding offer the little ones a chance to get ready for the bulls, and the Mystery Scramble gives everyone – contestants AND spectators – a great giggle. Though competition can be fierce even on the smaller scale, the parents of these little ones are always cheering them on

Like the CCPRA rodeos, the stock is provided by Humboldt County's Lou Bugenig and Mike Mora of West Coast Rodeos, and the winner of the event also receives the All Around title and an engraved buckle. The overall high-point winner for the day will have the honor of receiving the Bud Suttles Memorial Trophy.

The Jack Tharp Arena gets to serve a different use on Friday night, when the Truck and Tractor Pulls replace the bulls and broncs that usually inhabit the space.

Local boys and girls, and a roster of professional drivers who are a part of the MLM Motorsports crew, try their trucks and tractors against The Terminator, a weighted sled that is hooked to competitors' vehicles.

The drivers must begin from a parked position, be hooked to the sled, then methodically, or with much gusto, drag the sled down the arena and hope to make it across the 300-foot-mark finish line.

The sled has an increasable weight that can be altered to allow different levels of resistance for each class of drivers.

## Carnival & Games

### WHEN & WHERE

6/24 | Opens at 4 p.m. | Next to Rodeo Grounds

The night sky overlooking the Jack Tharp Arena glows bright with the lights from the Johnston Amusements carnival every year. The carnival offers rides, food and fun for kids and adults. Classics like the Gravitron and the Zipper give those hoping for a thrill a run for their cotton candy, and carnival games including darts, ping pong balls for goldfish, and more test the skills of all attendees. Everyone is welcome to enjoy tasty food including popcorn, candy apples, ice cream, and treats as they stroll through the clean and well-lit midway. Johnston Amusements has been bringing these quality family entertainment options to Central and Northern California fairs and festivals for over 50 years, spanning three generations.

## Ranch Rodeo

AN OFF-SEASON WFD EVENT

### WHEN & WHERE

10/1 | 10 a.m. | Jack Tharp Arena | Free to Attend

After the official Willits Frontier Days and Fourth of July events are over, the Jack Tharp Arena quiets down for a few months, but when October rolls around, it livens up once again and plays host to the annual Ranch Rodeo event.

The Ranch Rodeo differs from the traditional rodeo events by offering teams of riders the chance to try their hands and hooves at more practical, working ranch-lifestyle tasks like "ranch doctoring," "trailer loading," and "team sorting." These events are more common for everyday life on a ranch and take a different skill set than, say, barrel racing. A barbecue, Calcutta auction and more are held during the Rodeo. Check out "Year-Round Events" on [www.WillitsFrontierDays.com](http://www.WillitsFrontierDays.com) for more information and entries when they become available.

This year's Top Hand award recipient is Harold Potter, an eight-year volunteer with Willits Frontier Days and decade-old Willits local. Potter moved to the area from Ukiah with the towing industry and has since retired, leaving more time to help with community projects. Potter is also retired from the Military. Potter serves on the Board of Directors for Frontier Days as well as being in charge of year-round security for the facility on East Commercial Street and maintenance for the grounds. During the events over the Fourth of July, Potter helps groom the arena for the events, keeps the facilities in good order, and also continues with his security and landscaping maintenance duties, too. See Potter as he is announced at the parade, the CCPRA rodeos, and at the Sweetheart Dinner. Thank you for all of your hard work, Harold! We're happy to honor you with this award!

# Sherri Cronin

MOBILE VETERINARIAN ON SITE

In 1996, the California Cowboys Professional Rodeo Association required rodeo committees to have a veterinarian on site during rodeo performances.

Willits Frontier Days set the standard years ago by recruiting a local large animal veterinarian to attend our rodeo performances.

We are delighted that Dr. Sheri Cronin of Mobile Equine Veterinary Services is joining us again on site this year to lend a helping hand, should the need arise. She is available in the event of an injury to or illness of an animal, and also to ensure that all rodeo animals are treated humanely. Please remember Dr. Cronin whenever you need assistance with your large animals. Thanks to our wonderful attending veterinarian, Dr. Cronin. She can be reached at 459-6781.
